RULES:

RULE #1 - Individual Entering Averages

All bowlers will use their most recent Tavern Guild Book Average for the first 9 games. If none, the bowler will use their highest most recent Book Average found on www.bowl.com for the first 9 games. If no average, the bowler will establish an average after they bowl their first 3 games. This rule applies to all subs as well. If a returning bowler is absent on Opening Night, a vacant score of 120 plus 81 handicap will apply. If a brand new bowler to the league is absent on Opening Night, a vacancy score of **120 plus 81 handicap** shall be used until the bowler joins the league or until the vacancy has been filled. If a team only has 3 bowlers and their 4th spot is vacant, they will also use the vacancy score for that opening. These rules apply to substitute bowlers as well as regular team bowlers.

RULE #2 - Team Averages and Limits

There are no rules or limits for team maximums or minimums with regards to average.

RULE #3 - Handicap

The handicap allowance in this league is **90%** of the difference between each individual average and **210**. Team handicap for each scheduled match shall be the total of the individuals for the bowlers in the lineup.

RULE #4 - Legal Lineup

Teams consist of 4 bowlers each. A legal lineup consists of at least **one** regular team member present. That **one** regular team member may defend the team solely. Pre-Bowls and Make-Up Games are discouraged. For various reasons throughout the season, a member may drop. The league does everything possible to keep every team full, but sometimes this is not possible. The League Officers monitor the membership and may or may not combine teams depending on the best interest of the league.

RULE #5 - Tardy Players

Tardy bowlers may enter the game up through the 3rd frame of each game. Tardy bowlers must use the absentee score for all missed frames (1/10 of absentee score - average minus 1 pin for every frame they miss). **When you have a tardy bowler, enter that person as a "Blind" bowler on the computerized scorekeeping machine. The machine will automatically use the absentee score for each frame until that tardy bowler arrives. Tardy bowlers cannot make up frames missed.**

RULE #6 - Blind and Vacancy Scores

Blind scores are used when a regular bowler is absent on a league night. A blind score is that bowler's average minus 10 pins. A vacancy score applies when a team consists of only 3 regular bowlers. Until the league finds that team a 4th regular bowler, that team will use **a vacancy score of 120 average with 81 handicap.**

If bowling against a team where none of their bowlers show up, your team must bowl within 40 pins of your team's average to win a game. If your team doesn't bowl within 40 pins of its team average, then neither team wins the game point.

RULE #7 - Postponement and Pre-bowling

NO PREBOWLS are permitted. NO POSTBOWLS are permitted. Exceptions may be granted only by a league officer for extreme circumstances on a case by case basis.

RULE #8 - Position Standings

The Tavern Guild League uses a four-point system. Standings are determined on a point basis, with one point for each game won and one point for the team having high series.

The winner is determined by the best 2 of 3 games on Position Round (the 4th point for overall points will not be used to determine 1st place). All other final standings are determined by the number of games won during the season (including 2nd place). It is not guaranteed that Position Rounds will have Team #1 bowling Team #2 in the standings.

RULE #9 - Substitutes

Substitute bowlers may be used when available. Subs must prove their USBC Membership sanctioning, or, they will be required to pay USBC's current sanctioning fee. Regardless, all subs must complete a USBC Membership Application form. Sub averages will follow the same average rules as listed in rule #1

Pacers are allowed to bowl in the Tavern Guild League.

Currently, there is no rule with regards to which team member a substitute can sub for, i.e. a sub bowler with a 190 average may bowl for a regular team member who is averaging 150.

RULE #10 – Dues

This is a NO SHORTAGE LEAGUE.

Weekly bowling dues are \$24.00 per bowler. \$18.00 pays lineage; \$1.00 pays the League Officer Fee; the remaining \$5.00 goes to the league to cover the prize fund and operating expenses.

The Tavernguild prepays the last 2 weeks of bowling each season.

The Tavernguild allows a 1 week grace period for payment of dues. If a bowler has two weeks or more of dues in arrears they may not bowl in competition until those monies are made whole. If a member with outstanding dues does bowl, the team will forfeit all games until the bowler in violation returns to good standing.

First Night Dues	\$24
Last 2 Weeks Dues	\$48
Sanction Fee	\$25 (if not already sanctioned)
Minimum Total Due first Night: \$72.00 (\$97 if not sanctioned)

- Complete the Card, attach payment (if required), return in your weekly team envelope
- All Bowlers are required by USBC to complete and sign a Sanctioning Card, including subs.
- Sanctioning must be completed and paid for by the completion of the 2nd week of bowling

 - o You may also pay online, but you must bring PROOF OF PAYMENT to attach to your sanctioning card.

RULE #12 - Prize Eligibility and Points Fund

A league member must bowl 55% of the league's schedule and be a member of the league at the close of the season in order to qualify for any prize monies or awards.

The Tavern Guild has a guaranteed Points Fund. For each Game Point your team wins (up to 4 points per week except sweeps night) your team will earn cash. For Spring 2022 this amount is estimated to be \$4.00 per game.

RULE #13 - Withdrawal From The League

If a bowler needs to drop from the league, two weeks written notice must be given to the League President, unless a replacement bowler is found earlier. A bowler dropping from the league for other than medical reasons shall forfeit any and all prizes and monies that they may have been eligible to receive at the end of the season. Any bowler dropping from the league for any reason other than medical will also forfeit the prepayment of the last 2 weeks of the season.
